Letter From The Director

John Dewey said, "Education is not preparation for life; education is life itself." And I say, "High quality education has the power to send real leaders to the world." When speaking of high-quality education, SABIS® Educational System shines. Meltho is a member of the global SABIS® Network. Meltho is a multinational, co-educational, independent, English medium school serving both the local and multinational communities and catering to students from 3 to 18+ years old (Kindergarten to Grade 12). At Meltho, we prepare our students for internationally recognized external examinations. One of the unique features of the school is the SABIS® Student Life Organization (SLO). The SABIS® SLO at Meltho provides the ultimate opportunities for students to learn real-life, practical leadership and life skills. The impact of SLO can transform any student to top educator and leader in societies. I am honored and privileged to be part of this community where parents, students, and staff care for each other and build positive relationships that support academic, non-academic, and social growth. Every learner at Meltho participates in acts of community service and building community that engages all learners and provides a safe haven to belong. Our School staff develop meaningful relationships with each learner and their family so that we may work in partnership with you to support your children in their academic journey. Our strong educational system and commitment to fostering a passion to be a life-long learner prepare your child not only for their future educational career but also for life. I am honored and proud to be the director of this prestigious school and be part of shaping leaders' personalities. I earnestly express a plethora of thanks to the community of SABIS® Meltho International School.

Sipan Haj Ibrahim

Campus Facilities

Meltho International School is located in Ankawa, Erbil in Kurdistan, Iraq. Our purpose-built campus will offer students the environment they need to have a successful school experience. When students enter our school, they will be entering an optimized, modern facility that is purposely designed with the student in mind. All of our classrooms—from KG 1 through Grade 12—are equipped with Interactive Whiteboards to assist in the student learning process. Bulletin boards are also conveniently placed around the classroom to share valuable and relevant information. Our advanced academic facilities will include science laboratories, computer laboratories, art rooms, as well as sports facilities. Kindergartners enjoy their own section with colorful hallways and engaging classrooms, giving them the space that they need to explore the world around them. Youngsters will enjoy a large playground full of amusement options. Our bright and modern cafeteria offers students a gathering space where they can enjoy a nutritious lunch or food they bring from home. Our campus also has an equipped clinic where our students are looked after in comfort in case of an accident or illness.

Mission & Values

Our Mission

At Meltho International School, we strive to develop a safe and nurturing environment to support students on their journey to identify and achieve their full potential. Designed around three core pillars—academic excellence, life skills, and personal well-being, our approach to education aims to provide students with a holistic school experience, combining our proud tradition of academic excellence with outstanding programs to develop character, skill, and grit.
This is our mission:
Meltho International School is a provider of top-quality education to a highly diverse student body. Meltho International School strives to help all students achieve their full potential, prepare them for success in college, equip them with the ability and desire for lifelong learning, and strengthen their civic, ethical, and moral values. Meltho International School will maintain high standards of efficiency and accountability throughout their operation.

Our Values

A SABIS® education is grounded in a set of shared values that encourages students:
- To do their best and persevere with enthusiasm and commitment to attain their full potential
- To learn to be independent and take ownership for their decisions and actions
- To be inquisitive, forward-thinking, and agile learners ready for a changing world
- To cultivate an awareness of self and others that is rooted in respect, empathy, and inclusivity
- To practice honesty and integrity in all areas of life
- To be socially responsible citizens and active members of their community

As a community of learners at Meltho International School, we DREAM!

Letter From SLO Head Prefect

My name is Anabella, SLO Head Prefect.
I was never social in the past years until I joined Meltho International School. Now I speak in front of students and adults and I shadow teach in my class. We meet with members in the SLO department and we meet the director, AQC, and SMC to discuss our plans. We have sent emails to orphanages to offer help. So far, we have launched many campaigns: environmental and educational. My social life is currently great and my academics have improved tremendously. I can say, SABIS® Meltho School has aroused the leader inside of me. More importantly, the impact of SLO on me and on all my students in my school is tremendous. Student Life Organization, which is run by and for the students is the heart of every SABIS® school.

Annabella Jarayer Chakmakjian
Head Prefect

Testimonials from Parents and Staff

- "SABIS® helped my family come back to our country. I have tried other schools for my children but they were not happy. My daughter said, "When I was at a different school, I used to come home with a grumpy face and empty mind, but now at Meltho, I come home happier and smarter."
- Dr. Hadal - Parent

Meltho International School

- "I am really impressed by the quality of education the students receive at Meltho. It is because of the strong academic that my son experienced a change in his educational life. Now, he is not only smart but he is also a happy person.
- Dr. Halima - Parent

Meltho International School

- Meltho had a remarkable effect on my grandchild's language skills and behavior."
- Dr. Hanan - Guardian

Meltho International School

- " Meltho International School prepare students to be competitive candidates for universities not only in Kurdistan but in the world. They are given the English skills necessary to succeed in an international environment."
- Atour Paul – English Teacher/Coordinator

Meltho International School

- "The effectiveness of SABIS® curriculum on students' academic and social skills has been dynamic! It has been an outstanding experience witnessing this."
- Hogir Yalda, HR/Admin Coordinator

Meltho International School

Students Life Organization at SABIS® Meltho tackles all aspects of students' lives; it nurtures their knowledge, strengthens their personalities, and shapes leaders who will rule their communities. I am impressed by the great effect of SLO on students academic and social lives.

Diana Shekha, SLC

Academic Department

Description

The Academic Department is one of the main pillars of the SABIS Student Life Organization®. It is geared to assist all students who require support and extra help in their quest for academic success. This department provides tutors in different subjects, organizes re-teaching sessions for those who failed their exams, provides Shadow Teachers®, organizes academic events, promotes good study habits, assists teachers in the classroom, and always seeks to proactively ensure that all students pass their exams.

Mission Statement

Nurture a thirst of knowledge in all students. Proactively offer necessary support and encouragement to ensure that all students want to excel academically.

Haniel Hemen Martani
Academic Deputy Head Prefect

Academic Department Activities

At Meltho International School, we believe that students learn best when they feel confident, safe, and engaged at school. Our experienced team of staff and teachers are committed to providing an optimal learning environment that nurtures academic achievement and challenges students to reach their full potential. Academic excellence is at the core of the SABIS® education offered at Meltho International School. Our students will receive a premier education in a vibrant, international community that is committed to helping all students aim for and achieve their full potential. It is in this inclusive, collaborative environment that we empower our students to succeed in a constantly changing world that requires a variety of skills rooted in academic competencies. Central to academic life at Meltho International School is the SABIS® Educational System, which includes an international curriculum that provides a foundation for student success. As our students advance through the curriculum, their foundation of knowledge expands in breadth and depth and becomes a springboard for future learning. Starting in Kindergarten and continuing until graduation, the curriculum at Meltho International School covers a broad range of academic subjects. Our international curriculum will enable students to develop fluency in English, Arabic, and Kurdish. Strong emphasis will be placed on English and math, as well as the sciences in Secondary School, where our students prepare for internationally recognized exams such as the British-based IGCSEs, and the U.S.-based Advanced Placement® (AP®) program. Social studies, music, fine arts, physical education, psychology, business and economics studies, computer studies, and a number of non-traditional subjects increasingly relevant for the world of the future, are integrated into the curriculum. Strong emphasis is placed on English and math, as well as the sciences in secondary school, where our students prepare for external exams such as the British-based IGCSEs, and the U.S.-based Advanced Placement® (AP®) program and SAT. Social studies, music, fine arts, physical education, psychology, business and economics studies, computer studies, and a number of non-traditional subjects (robotics, 3D printing, web development, among others) increasingly relevant for the world of the future are integrated into the curriculum. In every subject and at every grade level, our academic approach to learning provides students with a structure that promotes the mastery of essential concepts. Through teaching methods that actively engage students in the learning process as well as frequent assessment and a comprehensive support and follow-up, we help our students achieve success in school and build strong foundations that prepare them for the next level. This highly effective approach provides a 360° view of individual progress to keep students, teachers, and parents informed at all times, as well as motivates and involves students in a dynamic and collaborative learning environment. Additionally, SABIS® recognizes that in an ever-evolving world, qualities and skills such as leadership, critical thinking, communication, perseverance, grit, creativity, and teamwork are among the keys to success now and later in life. For this reason, embedded into the curriculum at Meltho International School is a strong, student-led component of the school day. The SABIS® Student Life Organization (SLO) promotes participation in a wide variety of activities, giving Meltho International School students the opportunity to experience, practice, and develop this broad set of coveted life skills.

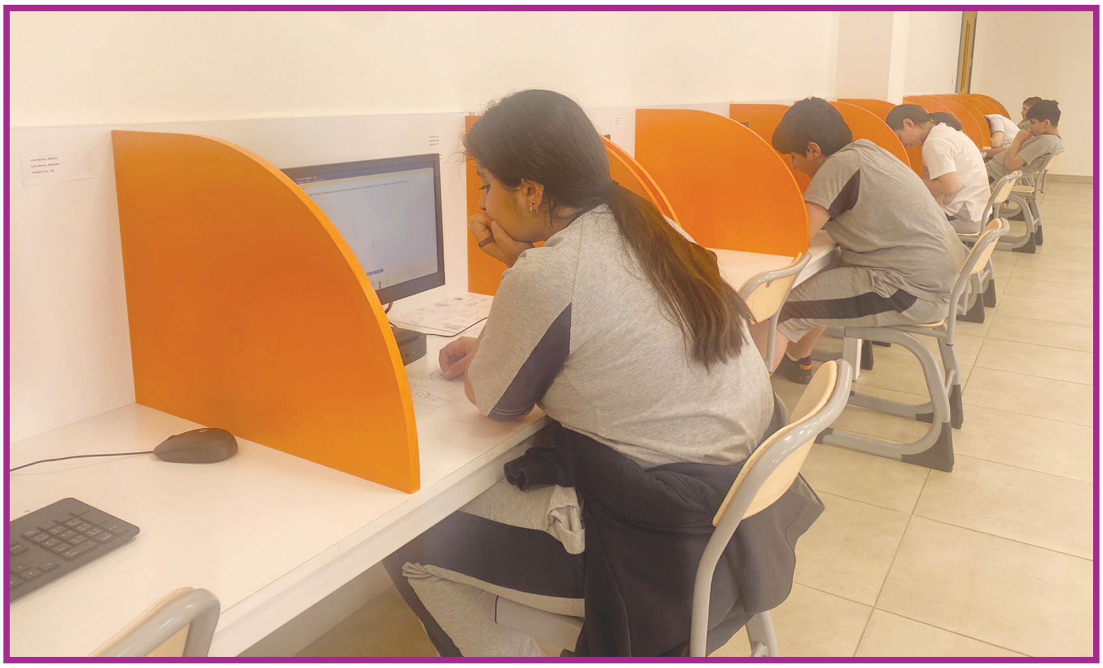
Academic Certificates

Congratulations to the students who earned the academic achievement certificates. At Meltho International School, students proudly and happily received their academic certificates for the outstanding results in the second academic term. Achievements of today are the stepping stones for the future ones.

Debate Event

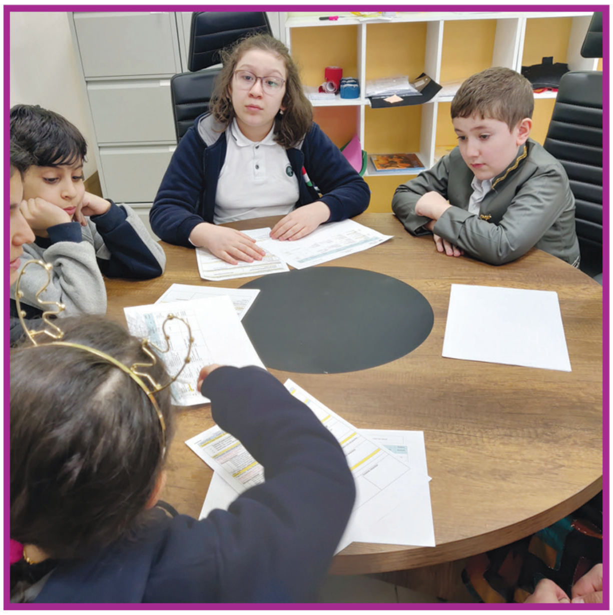
At Meltho International School, a debate was organized by Student Life Organization Department for grades 5 and 6. In this debate, students learned how to research and organize ideas, how to speak in public with no fear and how to develop oral and written communication skills. Winners were those who presented facts, statistics and strong reasons besides excellent presentations.

Debate Event



Shadow Teachers' Meeting

At Meltho International School (Managed by SABIS®), students are encouraged to take an active role in their education and in helping their peers. Involvement as Shadow Teachers® is one of the ways many students raise overall standards. Shadow teachers meet administration regularly to discuss the best ways to tutor their peers and to assist teachers.



Discipline Department

Description

The Discipline Department plays a major and unique role in the SABIS Student Life Organization®. Its focus is to ensure that the school is a safe place where students from all walks of life can live and learn together in an atmosphere that is conducive to learning. This department provides prefects to control hallways, playgrounds, cafeteria, gymnasium, and other school areas. They also help the teachers and ensure that no bullying is taking place at the school. All Discipline Prefects work very closely with the Student Management Coordinator (SMC) and staff.

Mission Statement

Create a safe school atmosphere conducive to learning. Teach students to manage their behavior, acquire and maintain good habits, abide by school rules, resolve differences through mediation and peaceful means, and shield them from bullying.

Cara Dara Mardan
Discipline Deputy Head Prefect

Activities Department

Description

The Activities Department blends the fun part of SLO® and brings up the initiative and creativity of the students. It combines extra-curricular activities that could be held after school or on weekends with the activities that are held at the school on a regular basis such as clubs. Within the Activities Department, the prefects keep the school morale high and encourage students to get involved. It is through planning activities that the students learn organizational skills, planning skills, and project management skills

Mission Statement
Encourage students to pursue, share, and teach special interests and hobbies while providing them with an outlet to express and explore their talents and complement their academic learning.

Zina Adil Saleh
Activities Deputy Head Prefect

Art Room

Art subject encourages self-expression and creativity and builds confidence as well as a sense of individual identity. Little artists of at Meltho International School turn imagination into reality by their creative and lovely paintings.

Chess Club

Chess enhances critical thinking skills and problem-solving abilities. It also strengthens memory, concentration and persistence. The talented student in grade 4, Lourd played against the School Director in a quiet and entertaining atmosphere.

Raising Flag

Raising Flag of Kurdistan signifies national identity, unity, and pride. Flags often serve as symbols of a country's history, values, and aspirations providing a visual representation of shared identity. Moreover, it fosters a sense of community and belonging among students, and it promotes a positive school culture. Flags can serve as visual reminders of shared values and create a sense of patriotism.

Holding the Baloon with Cup

The SABIS® Student Life Organization at Meltho International School helps create a positive environment by maintaining the wellbeing of students both physically and emotionally.

FALL FEST IVAL

Horse Riding

Horse riding is a great activity for students' physical and mental health. It has a host of physical benefits like improved cardiovascular health, posture, and weight control. It also reduces stress and boosts confidence. At Meltho International School, students from grade 2 to 6 were escorted by staff and enjoyed the horse riding activity. They returned home full of confidence and happiness.

Horse Riding

Mismached Shoes Day

This activity involves wearing two different shoes, each from a different pair, instead of matching them. Kids came to school wearing different pairs. Mismatched shoes activity was a fun and creative way to engage all the students and encourage their imagination.

Lower School Department

Description

The Primary/Lower School Department is a foundational department in the sense that starting students' involvement in SLOⓇ that early will help in setting the tone and interest in the school at an early age. Moreover, younger students are eager to help and to get involved, and it is imperative to tap into their energy and potential to teach them about values, ethics, morality, and proper behavior at a very early age

Mission Statement

Teach LS students to take ownership of their activities at school while learning good habits, responsibility and accountability at an early age. Increase the interaction between the US and LS students to provide the LS students with role models and prepare them for their future in Middle and Upper school.

Academic Certificates

At Meltho International School, students proudly and happily received their academic certificates.

Children's Day

Happy International Children's Day to all the kids around the world and to Meltho's students particularly. On the occasion of International Children's Day, Meltho International School in cooperation with the Syriac Orthodox Archdiocese and Alsamri Alsalh Organization granted boxes full of plenty of gifts to all the students. Mickey Mouse and Minnie Mouse handed the gifts to the students and painted broad smiles on our students' faces. After students received their gifts, they danced and played multiple games. At Meltho, we share because we care.

FLAG DAY

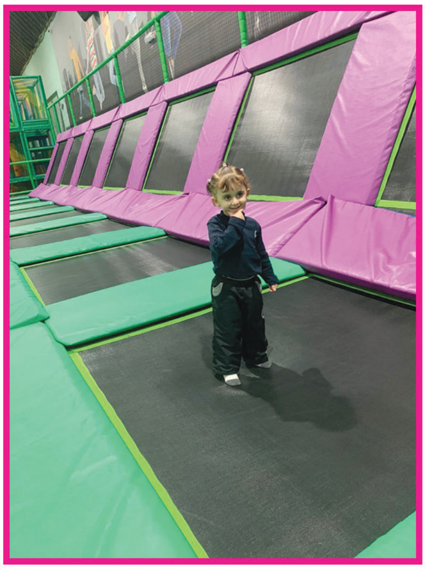
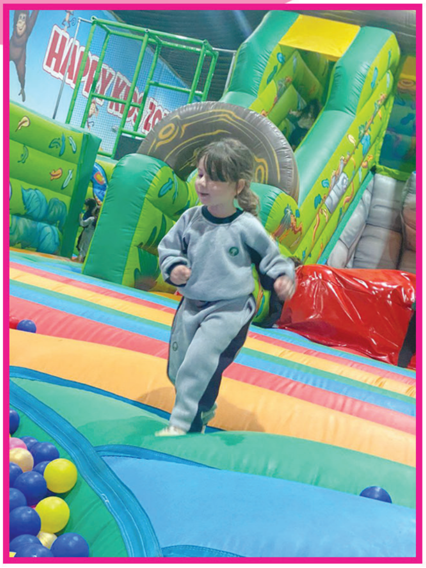
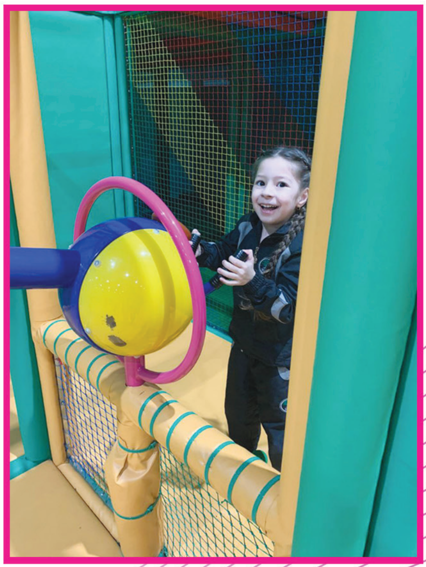
Lala Guna Trip

The SABIS® Student Life Organization at Meltho International School organized a trip to La laguna on October 22, 2022. Students had fun with their teachers and turned the day to a memorable day.







Last Day of School

Last Day of School was a memorable day with broad smiles painted on the little innocent faces of our students. The day was full of live music, dancing, and receiving certificates of gratitude from their teachers. Congratulations on completing another successful school year!

Movie Time

Movie time provides a break from the traditional classroom routine, injecting an element of enjoyment and relaxation into the school hours. It can serve as a reward for students' hard work or as a bonding experience for the class, promoting a positive and enjoyable learning environment. At Meltho, our little buds of KG1 and KG2 had the ecstasy of a great movie, ate popcorn, drank juice and turned the day to a memorable one.

Music Club

Music is a powerful means of emotional expression. Learning to play a musical instrument or sing allows kids to express their feelings and emotions in a creative and constructive way. Playing or listening to music can help manage stress, reduce anxiety, and improve overall emotional well-being.

Drama Club

Drama Club is an extracurricular activity designed by SLO to engage students in theater. It builds students' confidence, develops their creativity, and encourages teamwork. At Meltho International School, students from the drama club performed a show entitled, " Protect Yourselves during Earthquakes ."

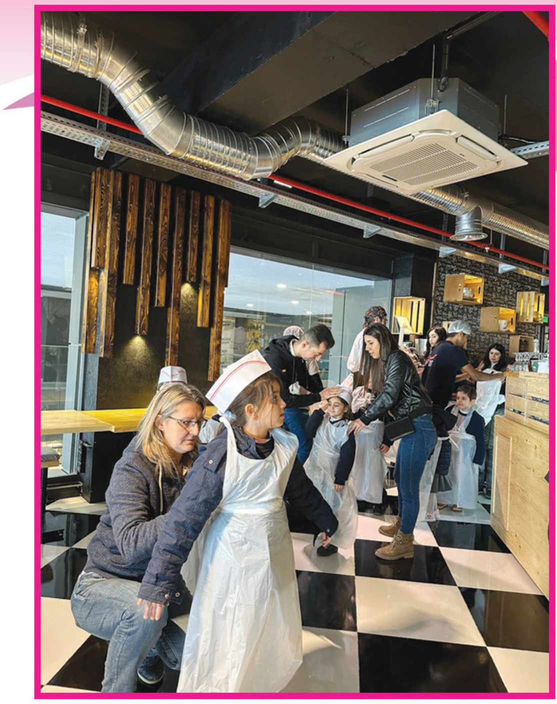
Physical Education

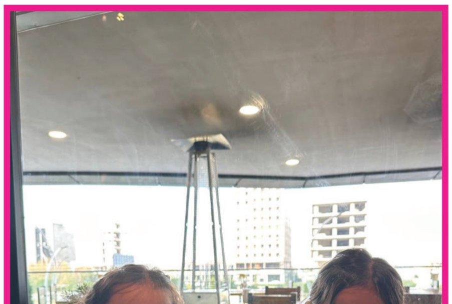
The SABIS Student Life Organization at Meltho International School helps create a positive environment by maintaining the wellbeing of students both physically and emotionally.

Pizza Making

The lovely students in KG2 and grade 1 at Meltho International School had a wonderful opportunity to learn more about the secrets of making a pizza and experienced the fun that accompanied it at the Gourmet Italiano Empire Restaurant.

Pizza Making





Reading Corner

"Today a reader, tomorrow a leader" Meltho International School students and staff dropped everything and read books. They turned the day to an exciting day.

School Picnic

Because we care, Meltho International School not only teaches academics but also tries to enrich students' social lives through activities. Our students enjoyed the picnic with their teachers. They turned the day to a memorable day.

The SLO Earthquake Relief Campaign

Fostering generosity and teaching kids about the significance of charity at a young age can empower them to make a meaningful influence on the lives of others. Donating can strengthen the students' social values, morals, and ethics. At Meltho International School, we aspire to make a difference both in the society and in the world. Warm thanks to the parents, students and staff members who assisted in collecting all donations for our Earthquake Relief Campaign.

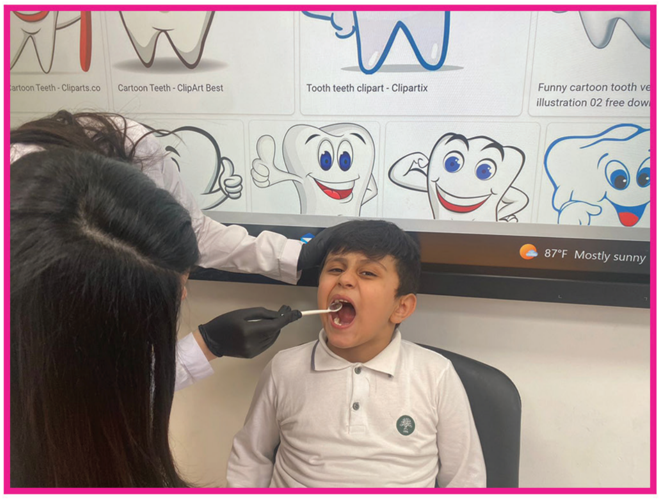
A Visit to Hawler Orphanage

The gifts that were offered to orphans did not only please the orphans but they also made our students jubilant. Giving creates a sense of happiness and love, strengthens the social values and builds leadership personalities. At Meltho International School, SLO organized a visit to Hawler Orphanage and painted a smile on the innocent faces of the orphans.

Dental Checkup

A regular dental check-up allows your dentist to assess your teeth and identify any potential problems. They can give a treatment plan to ease any issues and to avoid advanced dental treatment. At Meltho International School, we care for our students' physical and mental health.

Dentist Visit



Fire Drill

A fire drill was conducted at Meltho International School. Siren was turned on in the school, all admin members supervised the students' and teachers' evacuation from the building as quickly as possible in an orderly and safe way. Students lined up outside in the designated area and remained quiet so that the teacher could take attendance and make sure all students were safe.

World Environment Day

Happy World Environment Day! Nurturing Nature, Nurturing Minds: Tree planting encourages students to connect with the environment and develop a deeper appreciation for nature. Today at Meltho International School, students planted trees and watered them. They also learned the benefits of tree planting on humans' lives.
